The attendance at the Methodist revival was good last night. Dr. Iliff was unable to preach, but did some good talking and called for testimony from those present as to their religious experience. The responses were prompt and decisive, and at the alter service which followed several were converted. There will be a meeting to-night and all are welcome.

THE Unitarian entertainment at the Metropolitan hotel was a success financially and so-cially. The lecture by Dr. Unter was enjoyable and humorous in the extreme. The sterrepolitan high humorous in the extreme. The sterrepolitan views were beautiful. After the lecture refreshments were served and dancing included in until quite late. The Unitarians are nothing if not oriental, and their entertainments have the characteristic of novelty of enjoyment and real sociability.

The following is an exact fac simile of B. R. Moad's certificate received from the California board of dental examiners in 1885, seven years ago, showing that he has been at least since 1885 a legal practioner of his profession.

That B. R. Moad did on the 35th day of June, 1885, cause his name and place of will have their hands full of work on election day. It looks as though the real battle would be fought in that precinct.

Just what a hollow mockery the plediges of the Liberal party have been is now seen, when Salt Lake workmen are standing around idle, and imported hobes are standing around idle, and imported hobes are allowed to fatten at the public crib.

B. R. Moad is manager of the Expert Dental Co., at 46 W. Second South, He has practiced dentistry for nearly twenty years and makes a specialty of crown and bridge work, building up teeth with cold, transplanting and all modern high art dentistry.
